

XXVI SCIENTIFIC MEETING OF THE ARGENTINE ASSOCIATION OF GEOPHYSICISTS AND GEODESISTS

FIRST WORKSHOP ON GEOMATICS IN EARTH SCIENCES

November 5th to 9th

aagg 2012

San Miguel de Tucumán | Argentina

Organizers

Sponsors

3rd. CIRCULAR

The 26th Scientific Conference of the Argentine Association of Geophysics and Geodesy (AAGG2012) and the First Workshop on Geomatics in Earth Sciences will be held in San Miguel de Tucumán, Tucumán, Argentina. The Workshop will be carried out on November 5-6, 2012; and the AAGG2012 meeting will be carried out on November 7-9, 2012.

Institutions in charge

Argentine Association of Geophysics and Geodesy (AAGG).

School of Sciences and Technology (FACET), National University of Tucumán.

Other Participating Institutions

Geomatics Department, Argentine Institute for Snow, Ice and Environmental Research (IANIGLA-CONICET), Argentina. Center for Mapping, The Ohio State University, US. Institute for Environment and Natural Resources (IDEARN-National University of Cuyo), Argentina.

Presentations for the AAGG2012 Meeting are requested in the following areas: **Geodesy; Applied Geophysics; Geomagnetism; Gravimetry;**

Volcanology; Seismology; Terrestrial Solar Physics; Climatology and Meteorology; Hydrology; Oceanography; Cartography and Remote Sensing. Abstracts will be presented in two categories: *oral* presentation or *poster*. Also, there will be invited conferences in charge of renowned scientistis in the Atmospheric sciences. The presenters will be: Dr. Pedro L. Da Silva Dias (Brasil); Prof. Alberto Foppiano (Chile), and from Argentina Dr. Eduardo Agosta Scarel; Dr. Claudio Brunini; Dr. Sergio Dasso; Dr. Ana G. Elias; Dr. Carolina Vera and Dr. Juan L. Minetti.

First Workshop on Geomatics in Earth Sciences submissions are requested within the following areas of Geomatics: **GNSS (Global Navigation Satellite System), Digital Image Analysis, Mapping Technologies, Global Models and Radar Technology and Applications.** Contributions will be presented in *poster* format

Internationally recognized researchers and technologists will participate in the workshop: Prof. Luis Lenzano (Argentina); Ing. Pedro Skvarca (Argentina); Dr. Robert Smalley (EEUU); Dr. Joao Galera Mónico (Brasil); Dra. Dorota Grejner-Brzezinska (EEUU); Dr. Etienne Berthier (Francia); Dr. Daniel Pérez (Argentina); Dra. Andrea Drozd (Argentina); Dr. Charles Toth (EEUU); Dr. Daniel Del Cogliano (Argentina); Dra. M. Gabriela Lenzano (Argentina); Dr. Soruco (Bolivia); Dr. Bernard Francou (Francia); Dra. Daniela

Marchionni (Argentina); Lic. Matías Barber (Argentina); Dr. Victor Ríos (Argentina); Dr. Andrés Rivera (Chile); Agrim. Sergio Cimbaro (Argentina); Dr. Denizar Blizkau (Brasil); Dra. M. Cristina Paccino (Argentina); Mg. Claudia Carabajal (EEUU). For more information see the program on the website.

Special GEOACTA edition

Those contributions submitted for the workshop, may be published in a special edition of the Argentine Association of Geophysics and Geodesy journal (GEOACTA).

New deadline for abstracts

September, 24 2012

Abstracts should be a maximum of 200 words, written in Times or Arial (11 pts.) indicating title, author/s and dependence in bold, and may be submitted in pdf or Word 2003-2007. The author should indicate whether the presentation will be oral or poster, and thematic session in which they are included.

Abstracts Fees

The Scientific Committee will evaluate only abstracts for which the registration fee has been paid. These abstract fees are the same for both meetings and for each abstract presented. The deadline for payment is 23:59 h, September 24, 2012.

Residents in Argentina

Active AAGG affiliates...\$50
No AAGG affiliates.....\$150

Foreign

Active AAGG affiliates...u\$15
No AAGG affiliates.....u\$40

Registration fees for AAGG2012 and Workshop

For more information about the payment procedure, consult the website of both meetings.

Costs before October 15, 2012

Residents in Argentina

26th Scientific AAGG meeting

Registration fee: \$ 350 (Active AAGG affiliates)
Registration fee: \$ 450 (No AAGG affiliates)
Undergraduate Students: free participation

Workshop on Geomatics in Earth Sciences

Registration fee: \$ 250 (Active AAGG affiliates)
Registration fee: \$ 350 (No AAGG affiliates)

Registration fee of both meetings

Registration fee: \$ 500 (Active AAGG affiliates)
Registration fee: \$ 700 (No AAGG affiliates)

Foreign

26th Scientific AAGG meeting

Registration fee: u\$130
Undergraduate Students: Free participation

Workshop on Geomatics in Earth Sciences

Registration fee: US\$ 110

Registration fee of both meetings: u\$200

Costs after October 15, 2012

Residents in Argentina

26th Scientific AAGG meeting

Registration fee: \$ 450 (Active AAGG affiliates)
Registration fee: \$ 550 (No AAGG affiliates)
Undergraduate Students: free participation

Workshop on Geomatics in Earth Sciences

Registration fee: \$ 350 (Active AAGG affiliates)
Registration fee: \$ 450 (No AAGG affiliates)

Registration fee of both meetings

Registration fee: \$ 700 (Active AAGG affiliates)
Registration fee: \$ 900 (No AAGG affiliates)

Foreign

26th Scientific AAGG meeting

Registration fee: u\$200
Undergraduate Students: Free participation

Workshop on Geomatics in Earth Sciences

Registration fee: u\$150

Registration fee of both meetings: u\$300

Others

Daily fee: \$ 250
