YASTAY VIAJES Y TURISMO S.R.L.

E.V.T. Leg 10134 - Res.: N° 727

Por los caminos del

YASTAY

YASTAY: voz quichua. Divinidad propia de la región montañosa del Noroeste Argentino.

Amigo protector de viajeros y animales a quienes guía por seguros senderos de montaña. Castiga ejemplarmente a los destructores de sus dominios.

Bautizar a nuestra empresa con el nombre de aquella deidad, es el mejor homenaje que podemos rendirle a nuestros precursores que, en su filosofía de vida ya poseían un desarrollado sentido de la ecología, encontrando la manera de conservar esta fascinante geografía que hoy, gracias a "YASTAY", se podrá admirar en toda su intensidad y conocer en mayor profundidad.
